

### **Students with Disabilities**

Students who disclose a learning disability will need to provide an IEP (Individualized Education Plan) to NYIM

This report shall be used to assist NYIM in providing reasonable accommodations to foster the student's success.

Upon receipt and review of the IEP the student may take the SLE (Scholastic Level Exam), if they have not already. The test shall be administered without a time restraint.

If/when the student is accepted into the program, a copy of the reasonable accommodations letter shall be completed and signed by the student either accepting the accommodations or not.

A copy shall be filed in the student's folder

A copy shall be given to the education director and a copy shall be given/mailed to the student.
